1. [ ] Comment. The observations in Moedling indicate no changes affecting the previous occupation. Trucks [ ] and ambulance [ ] belong to the 13th Gds Mecz Div. Most of the other vehicle [ ] are assigned to the Central Group of Forces; two vehicles belong to the Soviet High Commission. 25X1
2. [ ] Comment. The unit stationed in Ebreichsdorf has not been identified.
3. [ ] Comment. A rocket launcher unit, probably the 15th Gds RL Bn of the 13th Gds Mecz Div, was stationed at the former Pionier Kaserne in Hainburg during the winter of 1952/1953. During the summer of 1953, however, the installation was at least temporarily vacant which indicates that the unit probably was absent from the post at a summer camp or engaged in field exercises and firing practice. 25X1
4. [ ] Comment. The 15th Tank Regt of the 13th Gds Mecz Div is carried in Bruck and Leitha. [ ] 25X1
